## TERMS AND CONDITIONS

1. SCOPE OF SERVICES. The Consultant shall perform the services specified in Exhibit A, attached hereto and incorporated herein by this reference (the "Services"). The Consultant shall perform the Services in accordance with standard practices in the State of Colorado and County of Arapahoe and shall use trained and properly supervised personnel in performing the Services.

2. TERM OF AGREEMENT. The term of this Agreement shall commence on the date of execution of this Agreement and shall terminate when all the Services have been performed, or otherwise by mutual written agreement of the Parties or by the exercise of the termination provisions specified in Paragraph 7.

3. COMPENSATION AND METHOD OF PAYMENT.

A. Compensation. Compensation for the Services, including reimbursable expenses, provided under this Agreement shall be based upon a rate of 5% of the gross hard construction costs of a Project. Direct reimbursable expenses of the Consultant, such as reproduction, telephone, postage and messenger services shall be billed at cost. Mileage shall be billed at the rate allowed under rules and regulations promulgated pursuant to the Internal Revenue Code or as adjusted by mutual agreement of the Parties. Without the prior written consent of the District, the Consultant shall not be paid any professional fees, compensation or expenses in excess of the amount authorized for the Services without the prior written approval of the District. If the Consultant performs any additional services prior to or without receiving a written request from the District, the Consultant shall not be entitled to any compensation for such additional services.

B. Invoices. The Consultant and the District acknowledge that there may be a reasonable lag time between receipt of the Consultant's invoice and subsequent payment due to the schedule of District meetings and the processing of the invoices for Board approval. The Consultant shall submit invoices to the District, no more often than monthly during the term of this Agreement on or before the tenth (10<sup>th</sup>) day of each month prior to the next regularly scheduled Board meeting, which shall include as supporting documentation:

- i. A progress narrative describing the Services performed during the invoice period and the Services anticipated to be performed during the ensuing invoice period, if requested by the District; and

- iii. A Certification by the Consultant that the Consultant is current with payment to all sub-consultants and employees through the date of the invoice and, if not current, a description of the non-current items and the reasons for such; and

- iv. Any other reasonable information required by the District to process payment for an invoice.

C. Invoice Review. The Board, or such approved designee, shall review the submitted invoice information at or prior to the next regularly scheduled Board meeting and shall, within fifteen (15) days of such Board meeting, inform the Consultant of any disagreement with the amount invoiced or any portion of the invoice which is unsatisfactory. Approval of any invoice may be withheld in the amount which remains incorrect or for those portions which are unsatisfactory. The Consultant may re-submit an invoice for payment which does not include those items disputed or unsatisfactory. If the invoice is approved by the Board, the District shall promptly compensate the Consultant for the approved amount within thirty (30) days of approval.

4. INDEPENDENT CONTRACTOR. The Consultant is an independent contractor and nothing contained herein shall be construed as constituting any relationship with the District other than that of owner and independent contractor, nor shall it be construed as creating any relationship whatsoever between the District and the Consultant's employees. Neither the Consultant nor any of its employees are or shall be deemed employees of the District. The Consultant is not, and shall not act as, the agent of the District. The Consultant has no authority to hire or contract on behalf of the District and shall not make any representation to the contrary. The employees who assist the Consultant in the performance of the Services shall at all times be under the Consultant's exclusive direction and control and shall be employees of the Consultant and not employees of the District. The Consultant shall pay all wages, salaries and other amounts due its employees in connection with the performance of the Services and shall be responsible for all reports and obligations respecting such employees, including, without limitation, social security tax, income tax withholding, unemployment compensation, worker's compensation, employee benefits and similar matters. Further, the Consultant has sole authority and responsibility to employ, discharge and otherwise control its employees. The Consultant has sole authority and responsibility as principal for its agents, employees and all others it hires to perform or assist in performing the Services, if any. The Consultant is not entitled to worker's compensation benefits and the Consultant is obligated to pay federal and state income taxes on moneys earned pursuant to this Agreement.

5. SUBCONTRACTORS. It is the intent of the Parties for the District to contract directly with any subcontractors related to the Contract; however, in the event the Consultant retains any subcontractors, the Consultant shall comply with the following provision:

The Consultant is solely and fully responsible to the District for the performance of all Services under this Agreement, whether performed by the Consultant or a subcontractor engaged by the Consultant. Use of any subcontractor by the Consultant shall be pre-approved in writing by the District. To obtain such approval, the Consultant shall submit the name of the subcontractor, together with resume(s) of training and experience in work of like character and magnitude as the Services to be subcontracted, to the District. The Consultant agrees that each and every agreement of the Consultant with any subcontractor to perform Services under this Agreement shall contain an indemnification provision

identical to the one contained herein holding the District harmless for the negligent or tortious acts of the subcontractor. The Consultant further agrees that any such subcontract shall be terminable not-for-cause and that, unless directed otherwise by the District, the Consultant shall immediately terminate all such subcontracts immediately upon termination of this Agreement. Prior to commencing any of the Services, a subcontractor shall provide evidence of insurance coverage to the District as provided in Paragraph 8. The Consultant further agrees that all such subcontracts shall provide that they may be terminated immediately without further cost upon termination of this Agreement.

6. GENERAL PERFORMANCE STANDARDS.

A. The Consultant represents that it has or shall acquire the capacity and the professional experience and skill to perform the Services and that the Services shall be performed in accordance with the standards of care, skill and diligence provided by competent professionals who perform services of a similar nature to those specified in this Agreement. If competent professionals find that the Consultant's performance of the Services does not meet this standard, the Consultant shall, at the District's request, re-perform the Services not meeting this standard without additional compensation.

B. The Services of the Consultant shall be undertaken and completed to assure their expeditious completion in light of the purposes of this Agreement. If performance of the Services by Consultant is delayed due to factors beyond the Consultant's reasonable control, or if conditions of the scope or type of services are expected to change, Consultant shall give timely notice to the District of such a delay or change and receive an equitable adjustment of compensation, as negotiated between the Parties.

C. The Services provided under this Agreement shall be adequate and sufficient for the intended purposes.

D. All Services shall be performed in compliance with all applicable state, local and federal laws, statutes, codes, ordinances, executive orders and rules and regulations in effect when the Services are complete.

E. The responsibilities and obligations of the Consultant under this Agreement shall not be relieved or affected in any respect by the presence of any agent, consultant, sub-consultant or employee of the District.

G. Acceptance of the Services or any documents performed or prepared by the Consultant by the District shall not relieve the Consultant of any responsibility for deficiencies, omissions or errors in said Services or documents.

H. The District shall provide the Consultant with all known information, conditions, standards, criteria, and objectives which affect the Services and the Consultant shall be able to rely upon such information. The District shall provide the Consultant with reasonable access to any work sites necessary for completion of the Services, as the District is authorized to do so under applicable law.

7. TERMINATION. The District may terminate this Agreement not-for-cause in whole or in part, by delivering to Consultant a written notice of such termination specifying the extent of termination and the effective date, not less than ten (10) days after the date of notice. If this Agreement is terminated, the Consultant shall be paid for Services satisfactorily performed prior to the designated termination date, including direct reimbursable expenses due. Unless directed otherwise by the District, the Consultant shall immediately terminate all subcontracts to the extent they relate to the Services terminated.

Either Party may terminate this Agreement for cause by giving notice to the other Party, specifying the default, which default may include but is not limited to, a failure by the District to pay the sums due to Consultant in accordance with this Agreement for a period of ninety (90) days and a failure by the Consultant to substantially perform its obligations under this Agreement in a timely manner. The Party receiving the notice shall cease all performance under this Agreement immediately upon receipt of the notice. Such notice shall provide that if the default is not cured within ten (10) days or otherwise resolved in writing by the Parties, the Party providing notice may declare the Agreement terminated. If this Agreement is terminated, the Consultant shall be paid for Services satisfactorily performed prior to the designated termination date, including direct reimbursable expenses due. Unless directed otherwise by the District, the Consultant shall immediately terminate all subcontracts to the extent they relate to the Services terminated.

8. CONSULTANT'S INSURANCE.

A. The Consultant shall acquire and maintain throughout the entire term of this Agreement, including any extensions of the term, statutory workers' compensation insurance coverage, comprehensive general liability insurance coverage and automobile liability insurance coverage in the minimum amounts set forth in Exhibit B, attached hereto and incorporated herein by this reference. Any policy of insurance obtained to comply with this Paragraph shall provide that the District shall receive thirty (30) days' written notice prior to the policy's cancellation, non-renewal or modification to any provisions of such policy affecting the insurance coverage requirements under this Agreement. With the exception of automobile liability insurance, a waiver of subrogation and rights of recovery against the District, its directors, officers, employees and agents is required for each coverage provided. All coverages provided pursuant to this Paragraph shall be primary and any insurance maintained by the District shall be considered excess. The District shall have the right to verify or confirm, at any time, all coverages, information or representations contained herein.

B. Prior to commencing any work under this Agreement, the Consultant shall provide the District with a certificate or certificates evidencing the policies required by this Paragraph, as well as the amounts of coverage for the respective types of coverage. If the Consultant subcontracts any portion(s) of the Services, said subcontractor(s) shall be required to furnish certificates evidencing statutory workers' compensation insurance, comprehensive general liability insurance and automobile liability insurance in amounts satisfactory to the District and the Consultant. If the coverage required under this Paragraph expires during the term of this Agreement, the Consultant or subcontractor shall provide replacement certificate(s) evidencing the continuation of the required policies.

C. The Consultant's failure to purchase the required insurance shall not serve to release it from any obligations contained herein; nor shall the purchase of the required insurance serve to limit the Consultant's liability under any provision herein. The Consultant shall be responsible for the payment of any deductibles on issued policies.

9. INDEMNIFICATION. The Consultant shall indemnify and hold harmless the District and its directors, officers, contractors, employees and agents from and against all liability, claims, suits, losses, damages, costs and demands, including reasonable legal expenses and attorneys' fees connected therewith, on account of personal injury, including death, or property damage, sustained by any person or entity to the extent arising out of or connected with the performance of this Agreement, to the extent such injury, death or damage is caused by the sole or contributory negligence or willful misconduct of the Consultant or its employees, officers and agents; except to the extent that such injury, death or damage is occasioned by the sole negligence or willful misconduct of the District or its contractors or their respective employees, officers and agents.

This indemnity clause shall also cover the District's defense costs in the event that the District, in its sole discretion, elects to provide its own defense. The District retains the right to disapprove counsel, if any, selected by the Consultant to fulfill the foregoing defense indemnity obligation, which right of disapproval shall not be unreasonably exercised.

Insurance coverage requirements specified herein shall in no way lessen or limit the liability of the Consultant under the terms of this indemnification obligation. The Consultant shall obtain, at its own expense, any additional insurance that it deems necessary for the District's protection in the performance of this Agreement.

This defense and indemnification obligation shall survive the expiration or termination of this Agreement.

10. WORK PRODUCT. All work product of the Consultant prepared pursuant this Agreement, including, but not limited to, all plans, drawings, specifications, reports, electronic files and other documents, in whatever form ("Work Product"), shall become, upon payment by the District consistent with this Agreement, the property of the District under all circumstances, whether or not the Services are completed. The District agrees not to alter the Work Product and not to use the Work Product for any purpose other than that intended by this Agreement. All other Work Product shall be provided to the District upon request. The Consultant shall maintain copies on file of any such Work Product involved in the Services for five (5) years, shall make them available for the District's use and shall provide such copies to the District, upon request, at commercial printing or reproduction rates. At any time within the five (5) years during which the Consultant must retain copies of all Work Product involved in the Services, the District may obtain copies of the Work Product by paying printing or reproduction costs as set forth above.
