Board of Directors
Parker Jordan Metropolitan District
c/o R S Wells L.L.C.
8390 E Crescent Parkway, Suite 500
Greenwood Village, CO 80111

We are pleased to confirm our understanding of the services we are to provide Parker Jordan Metropolitan District for the year ended December 31, 2010. We will audit the financial statements of the governmental activities, the business-type activities (if applicable), each major fund and the aggregate remaining fund information, which collectively comprise the basic financial statements of Parker Jordan Metropolitan District as of and for the year ended December 31, 2010.

The document will also include management's discussion and analysis (as prepared by management) if applicable. We will apply certain limited procedures, which will consist principally of inquiries of management regarding methods of measurement and presentation, to management's discussion and analysis. However, we will not audit management's discussion and analysis and will express no opinion on it.

Audit Objective

The objective of our audit is the expression of opinions as to whether your basic financial statements are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles and to report on the fairness of the additional information referred to in the first paragraph when considered in relation to the basic financial statements taken as a whole. Our audit will be conducted in accordance with U. S. generally accepted auditing standards and will include tests of the accounting records and other procedures we consider necessary to enable us to express such opinions. If our opinions on the financial statements are other than unqualified, we will fully discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or to issue a report as a result of this engagement.

Management Responsibilities

Management is responsible for establishing and maintaining effective internal controls. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of the controls.

The objectives of internal control are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorizations and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. You are also responsible for all management decisions and functions; for designating an individual with suitable skill, knowledge, or experience to oversee our financial statement preparation services and any other non-attest services we provide; and for evaluating the adequacy and results of those services and accepting responsibility for them.

Management is responsible for making all financial records and related information available to us. We understand that you will provide us with such information required for our audit and that you are responsible for the accuracy and completeness of that information. Management is responsible for adjusting the financial statements to correct material misstatements and for confirming to us in the representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

You are responsible for establishing and maintaining internal controls, including monitoring ongoing activities; for the selection and application of accounting principles; and for the fair presentation in the financial statements of the respective financial position of the governmental activities, the business type activities (if applicable), the aggregate discretely presented component units (if applicable), each major fund, and the aggregate remaining fund information of Parker Jordan Metropolitan District and the respective changes in financial position and where applicable, cash flows, in conformity with U.S. generally accepted accounting principles.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud or illegal acts affecting the government involving (a) management, (b) employees who have significant roles in internal control, and (c) others where the fraud or illegal acts could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud or illegal acts affecting the government received in communications from employees, former employees, regulators, or others. In addition, you are responsible for identifying and ensuring that the entity complies with applicable laws and regulations and for taking timely and appropriate steps to remedy fraud, illegal acts, or violations of contracts or grant agreements that we may report.

Audit Procedures - General

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. We will plan and perform the audit to obtain reasonable rather than absolute assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the entity or to acts by management or employees acting on behalf of the entity.

Because an audit is designed to provide reasonable, but not absolute, assurance and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements may exist and not be detected by us. In addition, an audit is not designed to detect immaterial misstatements, or violations of laws or governmental regulations that do not have a direct or material effect on the financial statements. However, we will inform you of any material errors and any fraudulent financial reporting or misappropriation of assets that come to our attention. We will also inform you of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. Our responsibility as auditors is limited to the period covered by our audit and does not extend to matters that might arise during any later periods for which we are not engaged as auditors.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, creditors, and financial institutions. We will request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will also require certain written representations from you about the financial statements and related matters.

Audit Procedures - Internal Control

In planning and performing our audits, we will consider the internal control sufficient to plan the audit in order to determine the nature, timing, and extent of our auditing procedures for the purpose of expressing our opinions on Parker Jordan Metropolitan District's financial statements.

An audit is not designed to provide assurance on internal control or to identify reportable conditions. However, we will inform you of any matters involving internal control and its operation that we consider to be reportable conditions under standards established by the American Institute of Certified Public Accountants. Reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control that, in our judgment, could adversely affect the entity's ability to record, process, summarize, and report financial data consistent with the assertions of management in the financial statements.

Audit Procedures - Compliance

Identifying and ensuring that Parker Jordan Metropolitan District complies with laws, regulations, contracts, and agreements is the responsibility of management. As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of Parker Jordan Metropolitan District's compliance with applicable laws and regulations and the provisions of contracts and agreements. However, the objective of our audit will not be to provide an opinion on overall compliance and we will not express such an opinion.

Audit Administration, Fees and Other

Our fee for these services will be at our standard hourly rates plus out-of-pocket costs (such as report reproduction, typing, postage, travel, copies, telephone, etc.) except that we agree that our gross fee, including expenses will not exceed \$ 3,600. Our standard hourly rates vary according to the degree of responsibility involved and the experience level of the personnel assigned to your audit. Our invoices for these fees will be rendered each month as work progresses and are payable on presentation. The above fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs. We will contact you in December to schedule an appropriate time to commence our field work.

Simmons & Wheeler, P.C. certifies that as of the date of this letter, it does not knowingly employ or contract with an illegal alien who will perform work under this agreement and that we will participate in the E-Verify Program or Department Program (as defined in Sections 8-17.5-101(3.3) and (3.7), C.R.S.) in order to confirm the employment eligibility of all employees who are newly hired to perform work under this agreement. If we fail to comply with any provision of C.R.S. 8-17.5-102 (2) the District may terminate this agreement for breach of contract, and we shall be liable for actual and consequential damages to the District. We shall comply with any reasonable request of the Colorado Department of Labor and Employment made in the course of an investigation pursuant to C.R.S. 8-117-102 (5). We shall use no subcontractor in the performance of our services under this engagement letter.

We appreciate the opportunity to be of service to Parker Jordan Metropolitan District and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the enclosed copy and return it to us.

Very truly yours,

Simmons & Wheeler P.C.
